

# Personalised Wristbands

## Trad Band & Series 2000

Versatile, large print area, waterproof and non-tear.

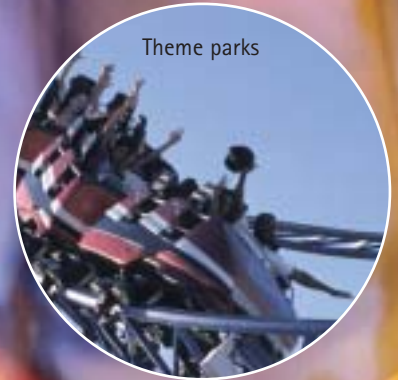

Ideal where a visual means of identification is needed such as, school day trips, concerts, festivals, theme parks, corporate marketing, trade shows and sporting events - anywhere wanting to control admissions.

The non-reusable locking closure discourages transfer and increases security. Available in a choice of colours and styles.

Choose SG World for all your accessory requirements. For more information visit us online at [www.sgworld.com](http://www.sgworld.com)
